The Old Stables. Coldharbour Mill

Learn how to manipulate wool fleece into a fashionable, three dimensional flower corsage. Choose from a cute, fluffy rose design or an elegant lily with leaves. A work of art to wear with pride!

Andrea Coleman originally trained and worked as a jeweller, before becoming a graphic artist and for the past 6 years has been making felt. Commissions have been undertaken including work for one of Somerset's finest country houses. Andrea makes a very diverse mix of work from wall-hangings, pictures to bags and scarves and is currently working a range of scarves for an exclusive London store.
