Crochet – 'Working in a metal ring' Workshop

Sunday 23rd August 2009

12noon – 2pm

£10

The Stables, Coldharbour Mill

Pauline Turner has written three books on the subject of crochet: 'Finishing Techniques for Crochet'; 'Crochet Lace' and 'Beginners Guide to Crochet' and runs a comprehensive crochet web site full of patterns and tips www.crochet.co.uk

During the talk she will discuss how to give your crochet the professional look, including embellishments, finishing touches and combining colour, yarn and stitches to create a unique textile. She will also share her tips to help make crochet easy to understand and execute.

Pauline will be available for questions and signing books after the talk.

On Saturday Pauline will be holding a unique workshop, where you will be able to choose a project that appeals to you and learn how to crochet an attractive crochet design to decorate your home. All materials will be provided (for a small charge) and instructions to take home with you.

Choose from:

1) Window hanging for Christmas with a snowflake design worked in thread

2) Sun or star design placed in a ring - 5-7 of these can form a mobile for a nursery and are in made with textured and glitter yarns.

3) Season tree in a ring ideal for people start in the workshop and to take home for children to make

Advance booking is essential to avoid disappointment
