Exploring Felt Making

Geraldine Field

Monday 24th August

10am – 4pm

£40

The Old Stables. Coldharbour Mill

A class for beginners and those with some experience. Try a different technique or start from scratch. Make a scarf, a bag, a picture to frame or enhance with stitching or a small figure. Try wet felting, needle felting, 2D or 3D. Whatever you do, enjoy the experience!

“I have been feltmaking for about 12 years and teaching for about 4. I love all textiles, but particularly felt because it is so tactile, versatile and accessible to anyone. Colour is very important to me and I feel that feltmaking is like painting and sculpting with fibres.” Geraldine Field
